User Acceptance Testing (UAT) Template

Date	13 February 2026
Team ID	LTVIP2026TMIDS84782
Project Name	ShopSmart: Your Digital Grocery Store Experience
Maximum Marks	10 Marks

Project Overview:

Project Name: ShopSmart – Online Grocery Management System

Project Description: ShopSmart is a web-based online grocery management system that allows customers to browse products, add items to cart, place orders, and track order status. It also enables administrators to manage users, products, inventory, and orders efficiently.

Project Version: Version 1.0

Testing Period: 13 Feb 2026-19 Feb 2026

Testing Scope:

Features & Functionalities Tested:

- User Registration & Login
- Product Browsing & Search
- Cart Management
- Order Placement
- Order Tracking
- Admin Product Management
- Inventory Management
- User Management
- Reporting Dashboard

User Stories / Requirements Tested:

- Users can register and login securely.
- Users can browse and search products.
- Users can add/remove items in cart.
- Users can place and track orders.
- Admin can add/update/delete products.
- Admin can manage inventory.
- Admin can manage users.

Testing Environment:

URL/Location: http://localhost:3000

Credentials (if required):
Customer Login: divya@gmail.com / divya@123
Admin Login: abc@gmail.com / deepu123

Test Cases:

Test Case ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
TC-001	User Registration	1. Open registration page 2. Enter valid details 3. Click register	User account created successfully	Account created successfully	Pass
TC-002	User Login	1. Enter valid email & password 2. Click login	User redirected to dashboard	Login successful	Pass
TC-003	Product Browsing	1. Login 2. View product catalog	Products displayed correctly	Products displayed	Pass
TC-004	Add to Cart	1. Select product 2.Click add to cart	Product added to cart	Product added successfully	Pass
TC-005	Place Order	1. Open cart 2. Click place order	Order confirmation displayed	Order placed successfully	Pass
TC-006	Order Tracking	1. Go to orders page 2. View order status	Correct status displayed	Status displayed correctly	Pass
